Respected Sir,

I would like to inform you that, I have visited Dolgarwadi Snake Park on 26.08.2023 along with 29 students of B. Sc. II class. We visited the Dolgarwadi snake park to study the identification techniques to identify the poisonous and non-poisonous snakes in nature. Shri Sadashiv Patil of Dolgarwadi and Mr. Sandeep Takkekar of Snake Park explained the identification techniques to identify poisonous and non-poisonous snakes in nature and gave a lecture on first aid treatment. In this activity students exposed to variety of snakes, their identification and knowledge regarding first aid treatment after snake bite. This activity we organized under extension activity. This trip we found very useful.

Following are the few images showing Mr. Sandeep Takkekar and Dolgarwadi staff delivering a lecture on First Aid Treatment and Snake identification techniques

Thanking you

Sub: Visit to Dolgarwadi and nearby places to study Amphibian diversity

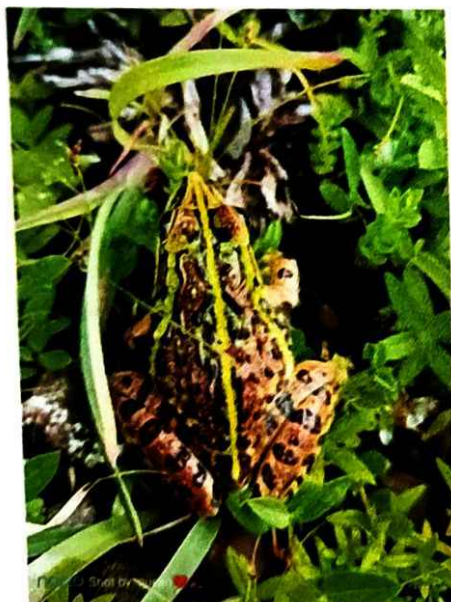

Respected Sir,

With reference to the above I would like to inform you that, along with below listed B. Sc. II students I visited Dolgarwadi and nearby places to study the Amphibian diversity. We visited the said place around 11.45 AM on 26.08.2023 and done some survey to observe the amphibian diversity. We found several egg clutch of microhylidae frogs and tadpoles of different stage in temporary water bodies. We also found some froglets of Indian bull frog *H. tigerina*. Students found this activity very informative and useful.
