M-4.2 Library as a Learning Resource

M-4.2.1 Library is automated using Integrated Library Management System (ILMS)

SOFTWARE INFORMATION

Our College library is using ILMS Software that is '**LIBMAN – A library Management System**' for all housekeeping jobs. It is developed by Master soft ERP Solutions Pvt. Ltd., Nagpur. It is multilingual and user friendly software. It maintains the database of all our college library books and the books that are borrowed by the members. It is cloud based software and maintained by company.

It maintains all library records and also tracks the record of number of books, how many are issued and returned, borrowers details in numbers, visitor's record in the dashboard. Visitors report and day to day library transactions, we get very easily from the software. This data is very important to count footfalls of the users.

Sr. No.	Name of the ILMS Software	Nature	Version
1	Libman	Fully	2.0.0

Modules of Library Management System Software:-

- 01) Acquisition & Cataloguing
- 02) Serial Control
- 03) Circulation
- 04) MIS reports
- 05) OPAC

Special Facility of the software is MOPAC. Mopac is mobile based app that enables users to search for any book via their smartphones by entering author's name, title. Book issued and returned by particular borrower, new arrivals in the library are also visible to the borrower through this app.

Link of the same:- <https://libcloud.mastersofterp.in/>

E journals: E journals are provided to our college staff through INFLIBENT – Nlist. At present 6792 e journals and 29309 e books are provided on this platform. South Asia Archive and world e books library should be accessed through NDL. This link is available through Nlist dashboard.

The screenshot shows the NIOS website interface. At the top, there is a navigation bar with links like 'Home', 'About NIOS', 'Contact Us', and 'Help'. Below this, the NIOS logo is prominently displayed on the left. To the right of the logo, there is a search bar and a 'Sign In' button. The main content area features a 'New Books' section with four book covers: 'Wise And Otherwise', '4000 Questions and Answers', '4000 Questions and Answers', and 'Programming in C++'. Each book cover has a 3D bar chart graphic. The website is designed with a clean, professional layout using a color palette of blue, green, and white.
