Subject : About E-Waste disposal

With reference to the above mentioned subject and as per the MOU for E-Waste signed on 20th August, 2022. We have accumulated a significant amount of outdated and non-functional electronic equipment, including computers, monitors, printers, and other electronic devices that are no longer in use. The collection of E-Waste in the year 2023-24 is collected in the store room.

So we would like to request you to collect the assembled quantity of E-Waste and disposal of these items according to the relevant environmental standards and best practices within one month and issue the certificate of disposal of the same.

Thanking You,

Your's,

Dr. B. D. Ajalkar
